We want to hear from YOU! Have you tried one of these apps? What have you used that you like? What have you tried that didn't work? Leave a comment on [our blog](#) and tell us your experience with these or other applications for your Apple device! We will publish some of your responses in an upcoming newsletter. ALSO, we will be randomly selecting two contributors to win a \$25 gift card to the iTunes store. If you haven't already tried these applications, why not give one or a few a try and let us know what you think. The drawing for the giveaway will take place at the end of the day on July 16, 2010.
